**THE HUDDERSFIELD CRICKET
LEAGUE NEEDS UMPIRES.
WITHOUT UMPIRES, WE DON'T
HAVE A GAME!**

HCL & UA are keen to attract and recruit new persons from the cricket community of Huddersfield who are interested in becoming umpires

A minimum of at least five people are needed right now if Huddersfield Cricket League and the Huddersfield Umpires Association are to staff all 2022 League 1ST XI matches, and long term 20 additional Umpires are required all together

Both individuals who are interested in umpiring most weekends, or who prefer to umpire on a more occasional basis are welcome and will be accommodated

All training and support for new Panel Umpires is provided and funded free of charge

Training courses that equip you to become a competent umpire are available in February so you can begin umpiring from 16th April

A significant contribution to Umpires' clothing will also be made. Financial incentives are available to HCL Clubs who introduce and recommend a new individual who trains and joins the Umpires Panel
